## **Basketball Clinic for Grade 2 - 5**

SOTI basketball clinics are back for 2nd through 5th grade! During these clinics, students will participate in activities to help develop skills and knowledge of basketball. Students may also have an opportunity to apply what they have been practicing while playing in games.

To ensure a meaningful experience, we kindly ask that parents register their child for basketball clinics only if their child has a genuine interest in learning and playing basketball.

## **Girls on the Run Coaches needed!**

GOTR is in need of 2-3 coaches for the spring season. You don't need to be a runner or have any coaching experience to help girls in our community work toward their goals — you just have to be willing to dedicate your time and skills. You can learn more about coaching at: [www.gotrchesapeake.org/coach](http://www.gotrchesapeake.org/coach).

Ready to sign-up? [Here](#) is the link for coaches to sign up.

Unfortunately if we don't have coaches we cannot have this program. If you have any questions, reach out to Sarah Spaulding at [sspaulding@schooloftheincarnation.org](mailto:sspaulding@schooloftheincarnation.org).

### **BEYOND PROGRAM INFORMATION**

#### UPDATES

Arts and Crafts Club: In December, our preschoolers and kindergarteners began creating projects and doing activities using a variety of materials. They'll continue having fun during January and early February. Some topics for their art work so far have included Christmas, winter, and snow.

Coding and Technology Club: Some basic history about coding, using the ASCII/binary language to solve a simple activity sheet, and working with partners using "Little Bits" to learn about and create simple circuits were the activities for their first meeting last week.

SOTI Scientists Club: Members learned about solids, liquids, and gases as well as conducted some simple experiments combining different powders with water to observe changes. Since the Girl Scout troop met on the same day due to being rescheduled and they were also exploring Science, a field trip was taken to participate in more fun activities with them!

Due to snow days last week, the Creation and Imagination Club as well as the Dance and Cheer Squad had their first meetings this week.

#### GENERAL INFORMATION REMINDERS

- At the end of each club meeting, students are brought to the front doors to meet parents for pick up. Thank you for being on time, parking in the lot, and walking to the sidewalk to let the volunteers and/or Miss Santini know that you're taking your child. ESP students are taken back to their ESP class for pick up if parents haven't arrived.
- Snacks are optional and are meant to be a quick, healthy food item (fresh or dried fruit or vegetable, applesauce pouch, tree nuts, and a small protein bar are great options). Please...NO candy, chips, cookies, etc. Labeling the food item with "club snack" is helpful to avoid it being eaten at lunch.

If you have any questions or ideas for a club, please contact our school's Auxiliary Services Coordinator, Amy Santini at [asantini@schooloftheincarnation.org](mailto:asantini@schooloftheincarnation.org)

# New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.

The Sacrament of Reconciliation will also be offered.

## Guest Speaker, Joelle Maryn

Having experienced a terrible childhood tragedy, Joelle disconnected from God. But after her own plans for the future blew up, Joelle encountered Jesus Christ and allowed Him to rebuild her life according to His vision. She now inspires audiences with her journey of faith and healing. Her dynamic talks encourage women to embrace their identity in Christ, find peace in their trials, and live life with purpose.
