Re: Bus Service

I hope this email finds you well and that you are enjoying the end of summer. As we eagerly anticipate the beginning of the academic year, I want to provide you with information on registration for our contracted bus service.

For the upcoming year, we have decided to maintain our partnership with R.E. Wilson Transportation Services. Bus service will commence on Monday, August 26th for students in grades 1 through 8. Starting Wednesday, August 28th, both morning and afternoon service will be available for Kindergarten students. Service for PreK students will also begin on Wednesday, August 28th, though they have a half day schedule, so only morning service will be provided that day. The cost of bus service for all students, regardless of neighborhood, is outlined in the chart below. Please, note that non-refundable payments will be billed monthly in FACTS in equal installments for ten months, September through June.

Registration for students selecting one-way transportation will be confirmed only after all two-way transportation students have been accommodated. To confirm your use of the bus service, please complete the attached registration form by **Tuesday, August 20th** to ensure your child's seat.
