VOLUNTEERS NEEDED ASAP:

Most clubs listed below are still in need of confirmed volunteers before registration and meetings can happen. Please consider giving the gift of your time and talents! VIRTUS certified family members (parents, grandparents, aunts, uncles, close friends) are also welcome to volunteer.

Continue to keep an eye out each Thursday for information about our extracurricular clubs, teams, service, and enrichment activities program! The goal of the Beyond Program is to provide students with a variety of opportunities to explore, be creative, and have fun with their peers while engaging in areas of interest "beyond" the regular school day.

Registration fees for clubs within this program apply towards facilities management, materials/supplies, administrative costs, paid personnel, vendor fees, prizes/treats, and some clubs will have t-shirts, program "kits" and separate organization fees.

INTEREST FORMS (complete by 7:00 PM TODAY, Sept. 5th)

Interest forms gauge the number of potential participants as well as adult volunteers available for each club (they are not a guarantee of participation). More than one club form may be completed per child. Families who fill out these forms will be emailed updates and details first, along with the registration link for students who can be accommodated. Once a club has their first session of the trimester, additional registrations cannot be accepted.

If you are grieving the loss of a child, no matter how old the child is, how long ago the child passed, or the cause, we invite you to attend this retreat which is offered by grieving parents for grieving parents. This day will focus on the spirituality of the grieving process to help you as you grieve the loss of your child.

This one-day retreat, offered by the Archdiocese of Washington Office of Family Life and the Emmaus Ministry, will give you the opportunity to be with others who have also lost a child.

The retreat will take place on Saturday, September 14 from 9:30am - 7:00pm at St. John Neumann Parish, 9000 Warfield Rd, Gaithersburg, MD 20882

The day will consist of communal prayer, talks, time for parents to gather in small groups, letter writing, a two-by-two walk, Sunday vigil Mass as well as lunch and dinner. While we have a general schedule of events for the program, please know that you will not be required to participate in any of the activities, and you will not be forced to share any information you are not comfortable sharing. New Family Referral Program

Our current Incarnation families are by far the best ambassadors for spreading the word about our school! Our New Family Referral Program rewards current families with a one-time \$250 tuition credit for referring a new family who applies and enrolls. Here's how it works:

- If you know of a family that you believe may be interested in School of the Incarnation, complete the "New Family Referral Form" below and submit to the school office.
- Reach out to the family and share your experiences at School of the Incarnation. Share with them the reasons you have chosen Catholic education and why you think they should do the same. Let them know that you have or will refer their information to the school and that an admissions representative will call or email them to provide more information.
- For each new family that applies and enrolls at least one full-time student, a \$250 tuition credit will be awarded to the current referring family after the new student has been in attendance for 30 days.
- Siblings of current students and previously enrolled students do not qualify as new families. Staff members are not eligible for the referral credit.
- Note that this form must be on file in the front office before the new family has contacted the school on their own for information or to visit so it is best to submit the form as soon as possible after speaking with the new family. In other words, the referral form is not retroactive and you are not eligible for the referral if the family contacts school before the referral.
- This referral program is open to all families with students currently enrolled in PreK4-Grade 8.
- Referral fees are limited to one per family per academic year.
